War Agencies Employees Protective Association
Room 1040 Washington Building
Washington, D. C.

Attention: Mr. Stacey K. Beebe

Gentlemen:

The undersigned has made numerous verbal requests of your Association to furnish this Agency with a copy of the agreement between the War Agencies Employees Protective Association and the Equitable Life Assurance Society of the U. S., and to date this document has not been received.

We are of the opinion that your office believes this document to be unnecessary inasmuch as a copy of this agreement was furnished to the Office of Strategic Services at the time your plan of group insurance was activated within that office.

Inasmuch as the Central Intelligence Agency has no connection with the above mentioned Agency or access to their files the requested document is of utmost importance to our Legal Division. Consequently, this formal request is being presented to you for action.

Very truly yours,

Certifying Officer
